

## LAW (JURISPRUDENCE) EXAM - FOR RENEWAL ONLY

### Take the Renewal Law (Jurisprudence) Exam

Every time you renew your license, you must take the jurisprudence exam. The exam is "open book", meaning you can read through the rules to find your answers.

This exam is made up of a random assortment of 20 questions about the Board's Act and rules. You must get 15 of the 20 questions right to pass. If you do not pass the exam, you may retake the exam immediately, or at any time before your license expiration date. After that date, you may not take the exam or complete the renewal process online.

### Taking the Exam

- **When you pass the exam, you will be given a 10 digit "key code"; that you MUST HAVE to log in to the online renewal application.** This number will be sent to you via email if you have entered an email address, and will also appear on the page following your score on the exam. PLEASE PRINT OUT YOUR KEY CODE SO THAT YOU DO NOT HAVE TO TAKE THE EXAM AGAIN. If you lose the key code - or copy it incorrectly - you will have to take the exam and pass again to get your key code to complete the renewal process. Agency staff cannot tell you the keycode; you can only get your keycode by taking the exam and recording the code.
- **You can stop the exam and restart from the beginning with no penalty, but you cannot go backwards to a question that has disappeared from the screen** . If you leave the exam for an extended period of time, your computer may "time out" and you will have to start the exam from the beginning.
- After you complete the exam, you will be told which questions you missed (if any), and the correct answers for those questions.
- **The jurisprudence exam CANNOT be counted as CC/CE.**

- **This exam is for renewals only.** If you are an applicant, you must take the [Applicant Law Exam](#)
